

Privacy Policy

dMACQ Software Pvt. Ltd. has published several mobile applications namely, the Pancard OCR app and dMACQ DMS app, as a commercial app. This SERVICE is provided by dMACQ Software Pvt. Ltd. at no cost and is intended for use along with dMACQ Document Management System (DMS), which is a cloud-based or on-premise SaaS application. This app has no purpose by itself and will work only with the companion DMS which is a separate application that needs to be separately purchased or subscribed for.

This page is used to inform website visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation with this policy. The Personal Information that we collect are used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at Pancard OCR app or dMACQ DMS app, unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience while using our Service, we may require you to provide us with certain personally identifiable information, including but not limited to users name, address, PAN card number and details, passport number and details, Aadhar card number and details. The information that we request is will be retained on the companion DMS and used as described in this privacy policy.

The app does use third party services that may collect information used to identify you. This app uses the Camera app on your mobile device to collect images and this app also uses Google's Mobile Vision API for processing images (and the link to Google's privacy policy is available [here](#)).

This app then stores the processed images on the accompanying DMS SaaS application - no processed image is stored on the device.
